

AutoTest®

Carbon Monoxide Tester

Electric vehicles

Hybrid vehicles

The AutoTest Carbon Monoxide Tester is a compact, handheld instrument designed to provide fast and accurate measurement of ambient carbon monoxide (CO) levels. Ideal for workshops and inspectors, it delivers real-time CO monitoring with clear visual and audible alerts, helping identify potential hazards and support safer working environments.

Compliant with:

- All Australian state and territory regulations
- ISO 7240-6
- IEC 62990-1
- EN 50291-1

Why Choose The AutoTest Carbon Monoxide Tester

- Wide 0–1000 ppm measurement range
- Audible and visual alarm notifications
- Lightweight handheld design
- 6-year sensor life
- Integrated temperature measurement
- Backed by local support, calibration and service in Melbourne

Learn More About
The AutoTest Carbon
Monoxide Tester

Carbon Monoxide Testing in 3 Easy Steps

1 Measure Ambient CO Levels

Turn on the Carbon Monoxide Tester and position it in the area being assessed to monitor ambient carbon monoxide concentrations in real-time.

2 Identify Potential Hazards

View live CO readings on the LCD display and monitor for elevated concentrations using the visual and audible alarm indicators.

3 Assess & Respond

Review measured CO levels and take appropriate action to support workplace safety and compliance requirements.

 **Calibration interval: 12 months**

 **Warranty: 12 months**

Standard Inclusions

- ✓ 3 × AAA batteries
- ✓ Protective cloth carry bag
- ✓ Screwdriver for battery replacement
- ✓ Declaration of Conformity

Product Specifications

Physical Characteristics

- Weight: 0.2kg
- Dimensions: 154 × 50 × 31mm

Carbon Monoxide Measurement

- Range: 0–1000 ppm
- Accuracy: ±5 ppm
- Resolution: 1 ppm

Temperature Measurement

- Range: 0–50°C
- Accuracy: ±1.5°C
- Resolution: 0.1°C

Sensor

- Type: Electrochemical carbon monoxide sensor
- Sampling Method: Diffusion
- Sensor Life: Up to 6 Years

Display

- LCD display
- Numeric and analogue CO readings
- Min/Max hold function
- Backlight function

Power

- Power Supply: 3 × AAA batteries
- Operating Current: 5mA
- Automatic Shut-Off: 15 minutes
